PERSONAL DATA

- o Date of Birth: June 19, 1987
- o Place of Birth: Rasht
- o Marital Status: Married
- o Nationality: Iran

EDUCATION

2005 - Diploma Degree – Maritime Electronic and Communication
2007 - Associate's Degree - Maritime Electronic and Communication –
      Anzali Marine science and technology University
2009 - Bachelor degree - Telecommunication engineering –
      Mehrastan university

CERTIFICATES

- o NETWORK+ and CCNA 200-120 - 60Hours - 2015
- o CCNA VOICE – 40 Hours - 2015
- o CISCO CIPT1 – 40 Hours - 2015
- o CISCO CIPT2 – 40Hours – 2015
- o CISCO CAPPS – 40Hours – 2015
- o CCNP VOICE (TVOICE) – 40Hours - 2015
- o CCNA VOICE (C Voice) - 40 Hours – 2015

MAIN SKILLS

- o Datacenter Virtualization and Administration with VMware
- o Routing & Switching
- o Network Infrastructure Planning and Implementations
- o Microsoft Active Directory
- o SAN Storage Management and Maintenance
- o Wireless Networking

WORK EXPERIENCES

June 2011-August 2014**:**
        Power electronic distribution Office – substation zone's IT engineer.

August 2014 - April 2017:
        NDCo – Telecommunication engineer and Marine ICT MAN.

May 2017 till present**:**
        CNPC I – Chief of IT/NETWORK Engineer

- **Focuses**
  - Server Room Designing and Implementation
  - Network Infrastructure Designing and Implementation
  - Network Monitoring and Maintenance
  - Security and Firewall
  - Database Administration and Maintenance
  - Datacenter Virtualization using VMWare Solutions
  - Wireless Network Implementation and Maintenance
  - SAN Storage and NAS Maintenance
  - Implementing Server Backup Solutions
  - Designing and implementing communication solutions
  - Designing and implementing VOIP solutions
  - Sophos UTM

COMPUTER KNOWLEDGE

- ## Network
  - Server Configuration (HP, Dell, Siemens, IBM)
  - SAN Storage Server (EMC and HP) Configuration
  - Cisco Switching and Routing
  - Microsoft ISA Server 2006 and Forefront TMG 2010 Administration
  - Microsoft Active Directory (Domains and Sites)
  - Microsoft Network Infrastructure

- o Integrating and Deploying Network Services with Active directory (Servicedesk plus, Netsupport Manager ,Network Monitoring)
- o VPN Server (Site to Site and Client to Site , L2TP, IPSec and PPTP)
- o Microsoft Network Infrastructure and Planning (WINS, DNS, DHCP, SNMP and RRAS servers)
- o Microsoft Network Services and Clustering (DFS, IIS, Terminal Server, Virtual Desktop Server, Failover Cluster,...)
- o VMWare VSphere 5 and VMWare VCenter 5 (Virtual Datacenter Designing, Configuration and Administration such as vMotion, Fault Tolerance, DRS, vNetwork Distributed Switching)
- o Microsoft Exchange Server 2010
- o VoIP Server Designing and Configuration (CUCM)
- o Mikrotik Router
- o Internet Bandwidth Shaping (BSplitter, Softperfect Bandwidth, Kerio,..)
- o Wireless (Access, WDS, PTP, PTMP)

▪ **Operating Systems**

- o Professional in the Following

- Windows 2000 ,Windows XP, Windows 7
- Windows NT (Workstation, Server), Windows 2000 Server
- Windows 2003 Server Family(x86,x64)
- Windows Server 2008 and 2008 R2 Server Families

▪ *MARINE SKILLS AND CERTIFICATES:*

- o Seaman skills - 90 hours
- o Navigation Equipment - 45 hours
- o International maritime communication skills – 90 hours
- o Vessels basic electronic and cabling on board – 120 hours
- o Basic elector-technical skills – 90 hours
- o On board Interships – 120 hours
- o Basic Training GT>500 IMO Regulation VI/1
- o Navigation skills – level : Deck Ratting GT>=500
